AUTUMN WINTER 23

redpoint is at home outdoors,
wherever life is free to write its own stories.
For us, freedom means always being true to our
own self. Preferably off the beatentrack,
surrounded by breathtaking scenery.

16 SHADES[®]

100 % BCI COTTON / 100 % HANDCRAFT / 100 % FITTING / 100 % GARMENT DYE

16 SHADES[®]

With „16 Shades“ we offer exactly the right product to equip the sales areas even more competently and ensure more attractiveness through the wide range of colors.

All items are, in keeping with the redpoint philosophy, perfectly finished and dyed in a complex, sustainable garment-dyed process in our own factory using state-of-the-art machine technology.

As an unbeatable offer: There are no minimum quantities. Retailers can thus put together the range that is exactly right for them and their customers without any risk.

VARIETY OF COLOURS!

16 Shades offers an extremely high selection of modern and seasonal colours!

SUSTAINABILITY

The high standard is guaranteed by production in audited, own modern factories and laundries! Less chemicals, less energy, less water.
